Dear Peter,

**Re: 58-62 Drift Avenue Stamford, Lincs Your reference S17/0253 - New Submission Portal Reference PP-06045180**

I have resubmitted the application on line under planning portal reference PP-06045180.

Unfortunately the location plans was too big to upload so I attached my original one and attach to this email the correct one. The client will make the notification to The Stamford Mercury this week for inclusion next week.

I have also stated on the covering letter that the application fee has already been paid under the above reference number, thus I would be grateful if you could intercept and ensure it is registered as soon as possible.

Hope this now satisfies all of your requirements?

Kind regards,

Glenn
